Forget the ice cream maker and give the foodie in your life a box of artisanal ice cream sandwiches from Cream + Sugar. Made in Wyoming, the ice cream is handmade and stuffed between the company's signature cookies that are baked daily and rolled in candy sprinkles. All the ingredients are organic and locally sourced and come in a variety of flavors, including huckleberry, mint chocolate chip, salted caramel, vanilla, pumpkin, and peppermint. It comes in a box of 16, but you get to choose eight of each flavor.
