## **Cream + Sugar Pumpkin Mini Ice Cream Sandwiches**

**\$89.95 for 16 ice cream sandwiches** | GOLDBELLY

Thanks to these melt-in-your-mouth mini ice cream sandwiches from Cream + Sugar, you can now enjoy all the comforting goodness of pumpkin spice *well-beyond* Halloween. Creamy pumpkin-flavored ice cream makes up the sandwiches' middles, while two crispy chocolate chip cookies form their tops and bottoms. We're also big fans of their colorful sprinkle coating, which makes them perfect for kiddos of all ages. If you have individuals in your family who avoid the pie table on Thanksgiving or Christmas Day, these yummy frozen treats are a great alternative. For all the December vibes, be sure to check out the brand's **Peppermint sandos**.
